GRACE ACADEMY
TRAVEL REGISTRATION

The school office requires the following TRAVEL REGISTRATION information for the safety of the student(s).

For the safety of our students, changes in transportation should be made via a written or faxed note (fax #301-733-4706) with a parent signature. If an email is sent to the teacher, please copy office@gaknights.org, so the office is aware of the change as well. Without this communication, students will not be allowed to change rides.

Please complete the following form and return to the Grace Academy Office.
